HEALTH SERVICES COLLEGIATE PROGRAM (HSCP)
MEDICAL SERVICE CORPS

The Health Services Collegiate Program is designed to provide financial incentive for students in designated health care professions to complete degree/certification requirements and obtain a commission in the Medical Service Corps (MSC)

Benefits:
• Active duty status as an Officer Candidate First Class (OCPO1)/E-6. Receive a monthly military salary anywhere from $3280 to $5610* while attending school.
• A Comprehensive health-care benefits package.
• Time in this program counts towards retirement.
• Earn vacation while in this program.
• You pay for tuition, books, and other school expenses.
• * Navy HSCP housing allowance based on graduate school location. Increased offer amounts available in areas with higher cost of living.

Eligibility Requirements:
• Citizenship - Must be a U.S. Citizen.
• Age - Complete your degree by age 42.
• Education - Must be enrolled in or accepted for transfer to an accredited college, university or school of study for a designated health profession. Must have a cumulative GPA of 3.0 or above to apply. Must complete studies/training as full time students attending all normal school sessions (3 semesters), and must maintain GPA of at least 3.0 after selection.
• Degree/certification requirements must be fulfilled within 24 months. Selectees must have an approved degree/course of study completion plan approved by Navy Recruiting Command.

Service Obligation:
• Minimum of three years active duty from the date of commissioning for any one, two, or three year program.

Programs eligible for HSCP:
Health Care Admin Pharmacy
Environmental Health Podiatry
Industrial Hygiene Entomology
Audiology Physician Assistant
